Phil,

Personally, and for each of the more than 400 employees of SelecTransportation Resources, LLC and Bob Garwood, my partner, let me start by warmly welcoming you to Houston, Texas. It's truly an honor to have Phil -The Genesis & Phil Collins Tribute Show perform and be a part of SelecTransportation Resources annual Christmas Party.

Tonight's event is the culmination of months of preparation and the hard work of the many employees who operate the Freightliner, Western Star and Thomas Bus Dealerships in Houston, Beaumont and Corpus Christi, Texas, all of which are owned by SelecTransportation Resources, LLC. Your performance tonight will certainly be the highlight of the event! All of our employees, customers and guests are anxiously looking forward to it with great excitement.

I realize you play a lot of shows, but when you take the stage tonight you will be playing for a private party. Your guests for tonight's party are not only fans of rock music, but more importantly they are our employees and our friends. They are truck salesmen, mechanics, body men, administrative assistants, parts personnel, drivers, facility maintenance and managers. They come from all walks of life, but they share one thing in common. They are the people that support the transportation industry. They are truly the salt of the earth and it is through their hard work and efforts that not only our company, but also all of this great country of ours keeps moving. Tonight's event is the way we try to give back to our employees and friends what they give to us every single day.

Understanding the importance of tonight's party, we would like to make sure you have everything you need to ensure a great show and a good time. I realize you took time away from your schedule and came to Houston to make this special performance possible and I truly appreciate it and want to be sure we do everything possible for you to enjoy the event as much as I know our employees and guests will! If there is anything at all we can help with or if you need something special, please don't hesitate to let me know.

Thanks again for helping make all this possible and I'll see you at the show,

Rick Stewart
